Volume 4, Issue 34

A Service of the Executive Office of the Mayor

August 20, 2001

Special Issue: Health

This issue of *Funding Alert* is focused on providing information and resources that relate to the health of children, youth, families and individuals in the District of Columbia. The "Health Grant Opportunities" section includes grant opportunities related to health that are currently open from all funders. A chart of upcoming programs from the Health Resources and Services Administration is also provided. The "District Opportunities" and "Announcements" list time-sensitive information for all subject areas (as usual). The "Health Resources" section covers online and community-based resources for fundraising and improving health-related programs. Please send comments and feedback about the special issue to fundingalert@dc.gov. Recommendations from readers about other health-related resources that are available online or in the community that could be included in a future special issue would be greatly appreciated.
